

I pay money to hear local traffic weather and traffic in the Houston area that is brought to be through XM Radio. Do not limit XM by placing regulations on what they can't broadcast. As a taxpayer and a customer of XM Satellite Radio, I feel I deserve the programs and features that XM provides. If you are going to limit what XM does, you are going to have to provide compensation to those who are going to be shorted by the limited programming that XM will provide....
